**RE: 2010-2011 SCHOOL PUBLIC ACCOUNTABILITY REPORT  
HAWKS RISE ELEMENTARY SCHOOL**

**August 2011**

Dear Parents,

The 2010-2011 School Public Accountability Report for Hawks Rise is available for viewing in the school office or on-line at [www.fldoe.org/eias/eiaspubs](http://www.fldoe.org/eias/eiaspubs), on or after September 1, 2011.

The information in this report includes important information about our school, including: Kindergarten readiness; test scores; and enrollment.

We are very proud of the fine academic achievements our students have attained at all grade levels. Hawks Rise students continue to excel academically resulting in the school once again earning an “A” based on Florida School Accountability reports. Hawks Rise also met the requirement of the Federal No Child Left Behind Act and achieved the status of making adequate yearly progress (AYP). We thank all of our wonderful staff and parents, PTO and community members that have supported our efforts in this work and provided countless hours of assistance and encouragement.

Our teachers are actively involved in ongoing professional development, which allows them to remain current in implementation of research based instructional strategies. It is also our goal to foster a safe, positive learning environment where all students can learn without disruptions.

If you contact the school, we will send you a copy of the report at your request. We encourage your participation and input with regard to our continuing school improvement efforts.

Sincerely,

Evy Friend
